The AI Adoption Lab Joining instructions

Design District

Greenwich Peninsula
North Greenwich, London

We're looking forward to welcoming you to the AI Adoption Lab, our home in London's Design District, right beside The O2 on the Greenwich Peninsula. Here's a look at the space, and everything you need to find us and settle in for the day.

— WHERE TO GO

The AI Adoption Lab · AI Accelerator

— GETTING HERE

Tube (easiest): Jubilee line to North Greenwich. Exit towards Soames Walk and the Design District is ahead, about a 2-minute walk.

Bus: routes 108 and 188 stop by North Greenwich; the bus station is next to the Tube.

River: Uber Boat by Thames Clippers to North Greenwich Pier, a few minutes' walk.

Driving: The O2 car park is closest; on-street parking is very limited, so the Tube is best.

— ON ARRIVAL

Head to **Building A2** in Appleby Yard and use the **door buzzer for A2** and we'll let you in. We're on the **first floor**, with lift access. If you get stuck, just call us.

From **North Greenwich Station**, follow the dashed "walk this way" route into the Design District. We're in **Building A2**, marked with the AI Accelerator **A**, just past the entrance to the food hall on the right.

— GOOD TO KNOW

- **Wi-Fi:** guest Wi-Fi is available; we'll share the login when you arrive.
- **Access:** step-free from the station, with lift access to the first floor. Tell us any access or dietary needs in advance and we'll sort them.

— FOOD & DRINK

- **Canteen Food Hall & Bar (C4):** six independent kitchens plus a bar, in the heart of the district.
- **The O2:** more restaurants, cafés and bars, 5 minutes away.
